

CSA Membership Registration

Thank you for your interest in our CSA Farm Share Program! There are many great reasons to participate. Most importantly, you'll receive top-quality fresh plants and produce. By becoming a CSA member you'll also be invited to participate in exciting events on our farm throughout the season.

Farm Shares are available in the form of discounted, pre-purchased credit at the farm stand and greenhouses, in value increments of \$100 per share. You may purchase as many shares as you wish. Your discounted cost per share is dependent upon your purchase date. Please refer to the CSA section (<http://crossroadfarm.com/how-it-works/>) of our website to learn more and see your exact cost per share.
